

Pumpkin Latte

PARABEN & SULFATE FREE • 95% NATURAL • GLUTEN FREE

When you need an extra boost, this Pumpkin Latte Pedicure
is simply java-leous!

A creamy butter brulee whole milk soak begins to relax tired legs and feet, followed by an invigorating caffeine-infused whipped caramel body polish to take away all your rough edges.

A super charged organic pumpkin puree mud mask deep cleans and tingles.

Finish this treatment with a dollop of softness from velvety smooth Sweet Cream Body Milk lotion, while you enjoy slow sips of your own Pumpkin Latte. Complete with the polish of your choice.
